INFORMATION DISCLOSURE STATEMENT

S I R:

Applicant respectfully requests that the appended Information Disclosure Statement filed after payment of the issue fee and before the granting of a patent on the above-identified application be placed in the file in accordance with 37 C.F.R. 1.97, whether or not it will be considered by the Office.

For documents written in a language other than English, English language abstracts are annexed thereto explaining relevancy in accordance with 37 CFR §1.98 (a)(3).

Also enclosed is a Japanese Patent Office Notice of Ground of Rejection from the corresponding Japanese Application with translation dated June 29, 2005.

The present Information Disclosure Statement is being submitted in compliance with 37 §CFR 1.56 as an Examiner might consider any cited document important in deciding whether to

allow the application to issue as a patent, but the citation of each document is not to be construed as an admission that such document is necessarily relevant or prior art. No representation is intended that the cited documents represent the results of a complete search, and it is anticipated that the Examiner in the normal course of examination, will make an independent search and will determine the best prior art consistent with 37 CFR 1.104 (a), and in the course of such search will review for relevance every document cited on the attached form even if not initialed.

Early and favorable consideration is respectfully solicited.

Any fee due with this paper may be charged on Deposit Account 50-1290.

Respectfully submitted,

Linda S. Chan
